

To assist, educate, and support children, youth, and families to be successful through best practice knowledge, quality, and sustainable programs.

MCFS Values:

- Relationships are integral to who we are.
- We believe in providing people with a hand-up to help better him/her self.
- We strive to be a permanent and impactful resource in the communities we serve.
- An innovated spirit is ever-present in all we do and drives our desire to make the most of our programs and revenues.
- We uphold ourselves, and those with whom we work, to high quality work and standards.
- We strive to serve as a model among and advocate for children & youth.
